president of this great group this year. I also wish to thank those members who have stepped up and agreed to fill the positions on the committees this year. I would like to thank all of the officers, committee members and board members for their outstanding efforts for last year.

We also had a lot of great trips last year. The tour masters did an outstanding job of putting them together.

I encourage each of our members to get involved and be as active a member as you can be. As with anything, the more you put into it, the more you will get out of it.

Also, as Club members please remember to pay your dues. They can be paid at the February meeting or mailed to Phil Sutton.

The Model "A" Restorers Club encourages membership in our bi-monthly publication, *The Model A News*, providing technical information and free liability insurance when participating in Club Events.

Hope to see you-all on the road!

Ron
