President's Corner

We could not attend the last meeting in September because we were in route to Chattanooga Tennessee for the Model A Restorers Club 2012 National Tour put on by the Scenic City A's Region. I talked with one of the club members, and they told me that they have 30 members in their club. They have done an outstanding job on planning, with a club that has this low of membership.

We had a great drive over. Some minor Model A break downs. I have counted 17 families here from Indiana. There are 211 registered participates. We are all enjoying the tours that were planned for us. We have the opportunity to

explore the beautiful countryside surrounding Chattanooga through the ten special tours that have been planned for us. We had our welcome party at the Tennessee Aquarium and the Grand tour at the Chickamauga Battlefield National Park. We are staying at the one hundred year old Chattanooga Choo Choo hotel. It is a great place to bring the grand kids and the great grandkids parents.

We hope to see you all at the October meeting. Happy motoring.

October 6, Saturday

Oldenburg Trip

(Morlock)

Leave Eastbrook Plaza in Columbus at 8:00am, tanks and tummies full. We will end up for lunch at Wagner's Restaurant in Oldenburg for their delicious fried chicken. On the way, we will be following the route of concrete navigation arrows that were created in 1930 to mark the airway from Cincinnati to Indianapolis for the early airmail pilots, and which have survived to this day (see photo). We will follow these from Shelbyville to Oldenburg using all paved country roads, including three covered bridges. Return will be on Hwy 46 through Greensburg.

Ethnic Expo

The parade this year is much like those in the past.

Meet at Eastbrook Plaza at 10:15 and leave at 10:30 for the Indianapolis Road entrance to Mill Race Park. For those who come from the west side of town, just work your way around to us at the park. Meet us at Mill Race before 11:00. This is usually a short parade and shouldn't take too much time, and if you want, you will have plenty of time to enjoy the entertainment and food at the Expo.

MODEL A MUSEUM UPDATE

The Model A Museum Building is a reality! Over 200 cars and at least twice that many people attended the Building Dedication on Model A Day at Gilmore on September 15th. After an invocation and breaking of a bottle of champagne on the corner of the building, a ribbon was cut and the front doors thrown open for the crowd of eager Model A'ers to view the new building. Gilmore Trustee Jon BOWERS welcomed the crowd, MAFFI President Stan Johnson gave an overview of plans for the future displays, and several people and organizations presented gifts and donations to the museum. Visitors were invited to have a photo taken of their car in front of the museum gas station, and also inside under the New Ford On Display sign and in front of several of the museum cars already inside the building. Now the difficult work of creating the displays of cars, parts, tools, accessories and fashions begins. Anyone having items or collections to donate should contact Phil Ierardi at pni1938@gmail.com for instructions on how and where to donate items. "Thank you, thank you, thank you" to all who have bought bricks and donated money, time or items toward the construction of the museum building. Please don't stop now as we work to create a museum inside.
