President's Corner

October is our last tour month. We have a lot of nice tours lined up thanks to the hard work of our tour leaders!

Remember our November meeting has been moved to November 4 at the Golden

In the Rearview Mirror

On Sept. 24 the Columbus Model "A" club had a Manifold Cooking Tour. Jane and Whitey Herbert organized the trip. Those "skeptical" followers were Ron & Susan Lawson, Connie and Gary Lawless, Cleo Sparks and the grandsons of Jane and Whitey. Justin Herbert served as timekeeper using a stop watch, and Cleo's co-navigator was Cory Herbert. We left Eastbrook at 10:00AM and traveled back roads to Rockcreek School. The food packets were tenderly placed on the manifolds of the cars' motors and wired with baling wire. We cautiously drove to Westport for our timely turning of the food. We traveled on to Butlerville, and with gloved hands, gently turned the valued, hot, steaming packets again. As the hot smell of lunch trickled into our cars, we stopped at the Lawson farm and enjoyed the food beside the lake. Jane had made packets of Polish sausage, potatoes, carrots, onions and celery. Very tasty on this slightly crisp fall day.

Now came the time to prepare our dessert. Jane passed her tinfoil morsels to each driver and again they were gently placed on the cars' manifolds. Now, we were to drive again to cook dessert (which was a good idea because we had no room for more food). Our timekeeper again timed the stops. As the aroma began to seep into the truck and cars, we knew what was for the dessert. The aroma of apples,

sugar and cinnamon filled our vehicles as we drove under early fallen leaves, making this a most enjoyable, relaxing trip. We stopped at Muscatatuck Park in Vernon and enjoyed our dessert. Thanks to Jane and Whitey for the time spent in the planning and preparing for this day.
