In the Rearview
Mirror

On July 23rd the Columbus Model "A" Club had a picnic at Brown County State Park. Fifteen Model A's, thirty-two adults and two children enjoyed a great Sunday afternoon. The weather was heavenly, the food was divine and the fellowship was outstanding. There was a tour of the park planned but everyone was having such a good time visiting and playing Cleo's bean bag game that we cancelled the tour and other games. Some of the club members started arriving a little before one o'clock. We ate an old-fashioned picnic dinner with fried chicken and all the

trimmings about 1:30 and departed at 4:30. Thanks to everyone for pitching in and coming to make this a successful event. --Gerald & Lyn Alexander

Thank You!

To members of the Columbus Model A's:

We were on our way down the road to southern Indiana on July 1st in Charles Wolfe's roadster. The fan broke south of Columbus. I, Richard Wolfe, called Gerald Alexander and Gerald came to our help with a fan and helped us get on our way.

On our way back from southern Indiana we came through Columbus on US 31 North and the car broke down again. So I called Gary Lawless to see if he could help at 9 pm at night. Gary came to help but we still didn't get the car going. So Gary towed Charles' car to his garage for overnight.

Sunday we went back to Gary's house. There were Bob Burns & Cleo Sparks. I told Charles don't be surprised to see your car ready to go when we get there to Gary's. I told Charles that the Columbus people are just that way.

I was right. The car was ready to go. Gary, Cleo and Bob had it ready for us. So I want to thank them all again for all their help.

And to all Model A's it pays to take a few phone numbers with you if you go some where by yourself.

Thanks again,
**Richard Wolfe, Connie
Brace, Charles Wolfe,
Margaret Whitney**
